PROFESSIONAL EXPERIENCE

BRAHMAA INFOTEK | PROGRAMMER TRAINEE (Full-Stack Developer) **Mar 2024 - Mar 2025**

- Developed responsive front-end applications using React.js, integrating REST APIs tested with Postman to display dynamic data.
- Collaborated with cross-functional teams to deliver high-quality features, following best practices in GitHub version control and code management.
- Mentored interns and junior developers, achieving 30% faster onboarding and improving overall team code quality by 20%.

GEELONG PENTECOSTAL ASSEMBLY | (Full-Stack Developer) | Geelong, Australia **Mar 2025 - Aug 2025**

- Designed and developed a full-stack website with features including service schedules, events, contact forms, and admin management.
- Built a responsive, user-friendly interface and backend functionality to efficiently manage updates and enquiries.
- Deployed and maintained the live website (geelongpentecostalassembly.com.au), coordinating requirements directly with stakeholders.

Tecknova IT Solutions | (Full-Stack Developer) | Melbourne, Australia **Nov 2025 - Present**

- Assisted in developing web applications using HTML, CSS, JavaScript, and React.js, contributing to UI components and feature implementation.
- Supported senior developers with bug fixes, API integration, debugging, and participated in code reviews following best practices.
- Gained hands-on experience in full-stack development while working collaboratively on real-world projects in a team environment.
