PROFESSIONAL EXPERIENCE

BRAHMAA INFOTEK | PROGRAMMER TRAINEE   **March 2024 - March 2025**

- As a Front-End Developer, I had the opportunity to deepen my knowledge of React through projects.
- I was responsible for completing API integrations, including testing API calls using Postman, and implementing them in React to display dynamic data.
- I gained hands-on experience in optimizing website responsiveness, ensuring a seamless user experience across devices.
- I also developed my teamwork skills by collaborating closely with colleagues to achieve project goals.
- I became proficient in version control practices using GitHub, contributing to efficient code management and collaboration.
- Mentored 4 interns and junior developers, resulting in a 30% faster onboarding process and a 20% increase in team code quality.

PROJECTS

GEELONG PENTECOSTAL ASSEMBLY | FULL STACK DEVELOPMENT   geelongpentecostalassembly.com.au

- Developed a dynamic and user-friendly church website for Geelong Pentecostal Assembly.
- The project included key features such as worship service details, upcoming events, contact form, and an admin dashboard for managing events and inquiries.

SHOP.CLOTH | FRONT-END DEVELOPMENT   clothappbvm.vercel.app

- Designed and developed the frontend of an eCommerce website, handling the architecture, UI/UX, and functionality while awaiting backend integration.
- Had the opportunity to design and implement responsive layouts for each page, ensuring a seamless user experience across all devices.

EXPENSE TRACKER | FRONT-END DEVELOPMENT   expense-tracker-bvm.vercel.app

- Expense Tracker is a project where you can track your total expenses and incomes.
- It shows your balance based on your expense and income

PORTFOLIO | FRONT-END DEVELOPMENT   blessenvinoymathew.vercel.app
